THE GATEWAY TO

VISION 2047

TURNING CONNECTIONS INTO CAPABILITY & CAPABILITY INTO GROWTH.

India's journey to 2047 will be shaped by enterprises that are globally competitive, technology-led, sustainable and inclusive. It will require stronger industries, resilient supply chains, new technologies, deeper collaboration and businesses capable of succeeding in domestic and international markets.

Gujarat's entrepreneurial energy gives its enterprises an important role in this journey.

GATE- GCCI Annual Trade Expo translates this long-term vision into business action. It brings enterprises, innovators, startups, investors, industry leaders, trade bodies and policymakers together on one comprehensive B2B platform to showcase capabilities, exchange knowledge, build partnerships and explore new markets.

At GATE, the pathway is clear:
